

U.S. History

End-Of-Course Assessment

Sample Questions

The intent of these sample test materials is to orient teachers and students to the types of questions on the U.S. History EOC Assessment. By using these materials, students will become familiar with the types of items and response formats they will see on the actual test. The sample questions and answers are not intended to demonstrate the length of the actual test, nor should student responses be used as an indicator of student performance on the actual test. Additional information about test items can be found in the *U.S. History EOC Assessment Test Item Specifications* at <http://fcab.fldoe.org/eoc/itemspecs.asp>.

The U.S. History EOC Assessment and sample questions and answers are based on the 2007 Next Generation Sunshine State Standards.

The sample questions and the sample answers are only available online at <http://fcab.fldoe.org/eoc/>. Computer-based practice tests (ePATs) are available online at www.FLAssessments.com/ePAT.
